Excellence in Healthcare and Lifelong Learning

Message from the Interim Associate Dean

Join us for the annual Thursday Evening Learning Series and the launch of our new online-based program, the Wednesday E-Learning Series.

Aimed to meet the needs of primary care physicians, residents, specialists and other health care professionals, our series offer a wide variety of exciting presentations.

The Planning Committee has sought out the best professionals in their area of expertise to deliver presentations that are broad in scope, rich in substance, ambitious in reach and grounded in relevance.

We look forward to welcoming you to our lifelong learning and high quality accredited educational activities.

Kind regards,

Ivan Rohan, MD
Interim Associate Dean
CHPE
Faculty of Medicine
McGill University

Mark Ware, MD

About the Programs

ACCREDITATION

These programs meet the accreditation criteria of:

- the College of Family Physicians of Canada for Mainpro-M1 credits.
- the Royal College of Physicians and Surgeons of Canada, as an accredited group learning activity (Section 1) defined by the Maintenance of Certification.
- a reciprocal agreement between the Royal College of Physicians and Surgeons of Canada and the American Medical Association, for AMA PRA Category 1 credit(s).

POTENTIAL CONFLICT OF INTEREST & COURSE DEVELOPMENT

Speakers are requested to disclose to the audience any real or apparent conflict(s) of interest that may have a direct bearing on the subject matter of our programs.

All CHPE educational programs are developed by a Planning Committee and McGill Guest Faculty. All decisions about the programs' content and presenters are made exclusively by the Planning Committee, making this program independent of any commercial influence.

No CHPE accredited program receives direct financial support from any pharmaceutical or other commercial company; nor does any speaker receive such support for participation in these programs.

LEARNING OBJECTIVES

Our programs offer participants the opportunity to:

- maintain and enhance their competence in a wide variety of family and general practice subjects.
- acquire knowledge of new investigations, management strategies and therapies.
- develop practical office-based screening and disease prevention strategies.

Important Information

THE REGISTRATION FORM:

¹ An additional fee of \$40 will be charged on onsite registration.

² Discount will apply to registrations received or postmarked before August 31, 2011.

³ Regular fee will apply to registrations received or postmarked after August 31, 2011.
